

1 Scope

These general terms and conditions of sale (“**General Terms and Conditions**“ or “**GTC**“) shall apply and shall be deemed incorporated into any and all sales by Lenzing Aktiengesellschaft, an Austrian corporation with its principal place of business in Lenzing, Austria (“**Seller**“), of man-made cellulose fiber products or services (“**Goods**“) to any buyer of Goods (“**Buyer**“). These GTC are part of Seller’s order confirmation (“**Order Confirmation**“) and govern the purchase and sale of the Goods specified in the Order Confirmation regardless of any prior offer made to Seller by Buyer, or prior course of dealing between the Seller and Buyer. Any additional or different terms and conditions or contract forms of Buyer are hereby rejected by Seller and shall not become part of the contract or terms of sale unless such terms and conditions or contract forms are expressly assented to in a written instrument signed by an authorized representative of the Seller.

2 Formation of contracts

A legal transaction shall be effected at the earliest upon the issuance of the Order Confirmation of Seller or the Delivery of the Goods (as defined herein), whichever occurs earlier (“**Contract**“). “**Delivery**“ means when the Seller has delivered the Goods in accordance with Clause 6.1 of these GTC.

If the Order Confirmation deviates from Buyer’s offer, the Contract shall be formed according to the Order Confirmation, including these General Terms and Conditions which are hereby incorporated into the Order Confirmation. If an acknowledgement of an Order Confirmation or any other correspondence of Buyer contains supplements to or deviations from the Order Confirmation, they shall not be deemed agreed upon and shall not be incorporated into the Contract.

Any quotation of Seller is given on the basis that no contract will come into existence until the Seller issues the Seller’s Order Confirmation to the Buyer or the Delivery of the Goods. Any quotation is valid for a period of 30 days only from its date, provided that the Seller has not previously withdrawn it. In addition to the Order Confirmation and these General Terms and Conditions, the Contract shall include any additional terms and conditions specified by Seller in documents referred to or accompanying the Order Confirmation.

3 Prices and taxes

Unless otherwise specified on the Order Confirmation, all prices confirmed by Seller are in Euro and are EXW Sellers’ facility in Lenzing, Austria (Incoterms® 2020) and do not include any applicable sale, use or other taxes, or other governmental charges imposed upon the production, shipment, sale or use of the Goods covered hereby

07/2020

(“**Additional Charges**“), all of which shall be paid by the Buyer to (i) the Seller upon issuance of an invoice by the Seller to the Buyer for any such Additional Charges, or (ii) to the relevant taxing authority, as required by the relevant taxing authority.

4 Payment terms

4.1 No payment shall be deemed to have been received until the Seller has received cleared funds. Payment is due by the date and in accordance with the payment terms and instructions stated on the Order Confirmation or Seller invoice (whichever date is the earlier) but Seller may require security for payment before dispatch in the circumstances described in Clause 11.3. If neither the Order Confirmation nor Seller invoice nor any other arrangement between Seller and Buyer specifies a date by which payment must be made, payment in full will be due within 30 days of the date of receipt by Buyer of Seller’s invoice for the relevant Goods. Seller shall be entitled to demand payment in full for the Goods without any withholding including for VAT or other forms of taxes, notwithstanding that ownership in any of those Goods has not passed from Seller to Buyer. Where a discount is granted in the Order Confirmation, such discount will only be allowed upon payment being made by the due date (or earlier date stated on the Order Confirmation for the purpose of obtaining the discount) and such discount may be rescinded or cancelled by Seller if payment is not made by the due date, in which case the full undiscounted amount shall be due by the Buyer.

4.2 Payments received will be credited against the oldest outstanding invoice plus any interest accrued thereon by reason of late payment. Seller may offset sums received from Buyer against any debt due to Seller from Buyer, irrespective of any purported appropriation or apportionment by Buyer. Buyer may not withhold payment of any invoice or other amount due to Seller by reason of any right of set-off, counterclaim, discount, deduction, withholding, abatement or otherwise which Buyer may have or allege to have or for any reason whatever.

4.3 If Seller does not receive any payment by the due date as set forth in the Order Confirmation, Buyer shall pay to Seller as a late charge and not as a penalty interest on the unpaid balance from the due date stated in Seller’s Order Confirmation or invoice until payment is actually received by Seller, at a rate equal to 18% per annum or the maximum amount permitted by applicable law, whichever is higher. The Buyer shall compensate the Seller for any currency losses suffered by the Seller as a result of the Buyer’s

failure to pay on the due date for payment or where Buyer does not pay in the currency as quoted in the Order Confirmation.

5 Collection

In the event that Seller retains a collection agency or other third party to collect any amount owed by Buyer, or institutes legal proceedings to collect such amount or to enforce any right related to the sale or purchase of the Goods, including enforcement of any security interest granted by Buyer, Buyer shall reimburse Seller for all collection agency and other third party fees and costs and all costs incurred by Seller in such legal proceedings, including, but not limited to, attorneys' fees.

6 Delivery, risk of loss, and retained security interest

6.1 Delivery dates quoted by Seller in a quote or on the Order Confirmation are the dates the Goods are forecasted by the Seller to be ready for shipment, and are given or accepted by Seller in good faith but are not guaranteed. Notwithstanding that the Seller may have failed to deliver the Goods (or any portion thereof) promptly, the Buyer shall be bound to accept and to pay for the Goods in full. Delays in the Delivery of the Goods may occur, and Buyer agrees that time is not of the essence for Delivery of the Goods. The Buyer shall be responsible for all storage, insurance and other costs relating to Buyer's failure to accept Delivery and all such charges incurred by the Seller shall be paid by Buyer within 30 days of submission of an invoice. In addition, if Buyer fails to take Delivery of the Goods or fails to give the Seller adequate delivery instructions, documents, licenses or authorizations to enable the Seller to deliver at the time stated for Delivery then all risks in the Goods will pass to Buyer, the Goods will be deemed to have been delivered and without prejudice to any other right or remedy available to Seller, Seller may sell the Goods at the best price readily obtainable and (after deducting all the said storage, insurance, selling expenses, and other costs relating to Buyer's failure to comply with the Contract) issue a credit to Buyer for the excess over the Contract price or charge Buyer for any shortfall below the Contract price. Unless otherwise specified on the Order Confirmation, the Delivery of all Goods shall be EXW Sellers' facility in Lenzing, Austria (Incoterms® 2020), and risk of loss or damage to the Goods will pass to Buyer on Seller's Delivery of Goods for pickup by the carrier. Following Delivery, any claims for losses or damage shall be made directly by Buyer against the carrier. If the Order Confirmation

specifies a term other than Incoterm 2020 EXW (for example, CPT or CIP), Delivery shall be in accordance with such Incoterm 2020, including the allocation of risk of loss or damage, and costs. Seller may reject transports, containers or storage presented for loading/unloading/transfer or handling which, in Seller's sole discretion, would present an unsafe or potentially an unsafe situation. For all Deliveries, Buyer is solely responsible for offloading or unloading all Goods. To the extent Buyer fails to offload or unload the entire quantity of Goods from the transport or container utilized for shipment (i) any residual or remaining Goods shall be deemed to have been abandoned by Buyer for the beneficial use or re-use by Seller, and will become the property of Seller when received and accepted by Seller at the place of origin; (ii) Buyer will not receive credit, payment or other consideration for any such residual or remaining Goods; and (iii) Buyer is solely responsible for the transportation of such residual or remaining Goods (including freight charges, shipping documents, and compliance with all laws related thereto) until received and accepted by Seller at the place of origin.

If the Seller or its carrier is unable for any reason to place the Goods on board ship or other form of transport upon their arrival at the port/place of shipment, a warehouse receipt for the Goods shall be treated as receipt of Buyer.

6.2 The Buyer shall accept Goods delivered by Seller which deviate from the agreed specification within manufacturing tolerances accepted in the trade, and weights or quantities varying by not more than 10% from the Contract weight or quantity, and shall pay, pro-rata for the actual weight or quantity delivered. The weight or quantity stated on Seller's packing list shall be conclusive evidence of the amount delivered to and received by Buyer except in cases of manifest error.

6.3 To secure payment of the purchase price with respect to the sale of Goods and all proceeds thereof, Buyer hereby creates and grants in Seller's favor a security interest in the Goods and in Buyer's inventory of Goods obtained from Seller and all proceeds from their sale or other disposition, until Buyer has made payment in full. Buyer agrees to execute any financing statements and any amendments thereto required by Seller to create and preserve such purchase money security interest, and Buyer hereby shall authorize and grant power of attorney to Seller to execute and file any financing statements in any jurisdiction at any time it deems necessary to protect and maintain its interest in accordance with the Seller's request and specifically

shall authorize Seller to file such statements. The security interest created hereby shall be construed and enforced under the applicable laws. Buyer agrees to provide Seller the names and addresses of any party holding a security interest in Buyer's inventory so that Seller can provide notice to such parties of Seller's purchase money security interest in the Goods. While the Goods are in the custody of the carrier, Seller reserves the right to demand that the carrier return the Goods to Seller, unless the Buyer has already paid Seller for same in full.

- 6.4 Each Delivery shall be treated as a separate Contract, and partial deliveries are permitted unless otherwise stated on Seller's Order Confirmation. Accordingly, failure to make any particular Delivery, or any breach by Seller's obligation under a Contract relating thereto, shall not affect any remaining deliveries and shall not entitle Buyer to treat the Contract, the Order Confirmation related thereto, or any other Contract or Order Confirmation as cancelled or repudiated. In the event of separate Contracts under this Clause 6.4, each separate Contract shall be governed by these GTCs.
- 6.5 Returnable packaging will be charged to Buyer, but if returned empty, clean, securely closed and in good condition within 30 days after receipt by Buyer, Seller will credit Buyer with the amount charged. Any special packaging requirements will incur a non-refundable additional charge. Buyer will comply with all applicable laws and regulations and with any return, disposal or other requirements stated on the Seller's Order Confirmation in relation to any packaging.

7 Seller's warranty

- 7.1 The Seller warrants that, upon Delivery, the Goods:
- are sold with good title; and
 - will, subject to Clause 7.4 and 7.5 below, (i) comply in all material respects with the Seller's current published product data sheets or (ii) where there are no product data sheets, that they comply in all material respects (subject to the tolerances referred to in Clause 6.2 above) with any specification appearing on the Order Confirmation (the "**Seller's Warranty**") and (iii) are made with sound materials and workmanship to normal standards accepted in the man-made cellulose fiber industry.

The Seller's Warranty is given on the condition that any instructions (oral or written) of Seller relating to the Goods (including, but without limitation, their

storage or use) and good trade practice are strictly complied with.

- 7.2 Buyer shall examine the Goods immediately upon receipt. Buyer shall immediately notify the Seller, and in any event within 3 days of receipt of Goods, of any incomplete or failed Delivery, loss or damage during shipment. If the Goods otherwise fail to comply with the Seller's Warranty, Buyer must notify the Seller within 15 days after the date when Buyer became or ought reasonably to have become aware of any of the above, and in any event before the earlier of:
- 3 months from the date of Delivery; and
 - 30 days after the Goods have been used or put into process.

Buyer shall be treated as having waived all claims connected with the matter which should have been notified and deemed to have accepted the Goods and Seller shall have no liability whatsoever to Buyer in respect of those Goods if Buyer does not so notify Seller or makes any further use of such Goods after giving such notice.

- 7.3 Subject to Clause 7.2, if it is shown to the Seller's reasonable satisfaction that the Goods fail materially to comply with the Seller's Warranty or there was an incomplete or failed Delivery, or loss or damage during shipment, Seller shall be given a reasonable opportunity to correct such failure, and, if Seller does not or is unable to do so, Seller will, at the Seller's option, either refund the price of the Goods at the pro rata Contract rate (or, if the Goods have depreciated for reasons other than the Seller's default or have been used or put into process, a reasonable part of the net Contract price), or replace the Goods (or the defective part of the Goods) (if reasonably practicable) within a reasonable time, free of charge. Such correction, refund or replacement shall be Seller's sole liability in relation to any such failure. Replacement of the Goods are covered by these General Terms and Conditions, including the Seller's Warranty. Goods which are alleged not to comply with the Seller's Warranty shall as far as possible be preserved for inspection by Seller, and if replaced or if a refund is made shall be returned to the Seller (at the Seller's cost) if the Seller reasonably so requests. Buyer's sole and exclusive remedy for non-conforming Goods is the refund or replacement specified in this Clause 7.3.

- 7.4 Clause 7.1 and the Seller's Warranty does not apply to seconds, remainder stock, samples, or to Goods sold as obsolete, sub-standard or waste, or to Goods sold or marketed as still in the testing phase (together, the "**Substandard and Testing Goods**"). For the avoidance of doubt, Clauses 7.2 and 7.3 do

not apply to the Substandard and Testing Goods, except with respect to an incomplete or failed Delivery, or loss or damage during shipment.

- 7.5** Seller reserves the right to amend the specification of the Goods, which amendment shall be applicable to all Goods not yet subject to an Order Confirmation, in particular if required by any applicable statutory, regulatory or governmental requirements.

8 DISCLAIMER OF WARRANTIES

- 8.1** TO THE FULLEST EXTENT PERMISSIBLE BY LAW, SELLER HEREBY DISCLAIMS ALL WARRANTIES EXCEPT THOSE UNDER CLAUSE 7, WHETHER EXPRESS OR IMPLIED, WITH RESPECT TO THE GOODS, INCLUDING THOSE OF MERCHANTABILITY, NON-INFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE AND BUYER HEREBY WAIVES ANY AND ALL CLAIMS ARISING THEREFROM. SELLER, ITS AGENTS OR EMPLOYEES, FOR ANY REPRESENTATIONS, ADVICE OR ASSISTANCE GIVEN (UNDER THE CONTRACT OR OTHERWISE, AND WHETHER BEFORE OR AFTER THE DATE OF THE CONTRACT) BY OR ON BEHALF OF SELLER IN CONNECTION WITH THE GOODS OR THE CONTRACT, UNLESS AND THEN ONLY TO THE EXTENT THAT SELLER HAS MADE SUCH REPRESENTATIONS, AND/OR AGREED TO PROVIDE SUCH ADVICE OR ASSISTANCE, FOR A FEE UNDER A SEPARATE WRITTEN CONTRACT WITH BUYER.

9.6 THIS CLAUSE 9 APPLIES NOTWITHSTANDING ANY FUNDAMENTAL BREACH OR BREACH OF A FUNDAMENTAL TERM OF THE CONTRACT BY SELLER.

10 Force Majeure and other conditions

10.1 Seller shall not be liable to Buyer for any breach or damages of any kind in the event that the failure to comply with the Contract relates to any circumstances whatever (whether or not involving Seller's negligence) which are beyond Seller's reasonable control and which prevent or restrict Seller from complying with the Contract ("**Force Majeure Event**"), including but not limited to:

a. a delay in the granting of any license(s) or a revocation of licenses required for the Goods in whatever manner; or

b. acts, restrictions, regulations, by-laws, prohibitions or measures of any kind on the part of any governmental, parliamentary or local authority; or

c. strikes, lock-outs or other industrial actions or trade disputes (whether involving employees of Seller, or of a third party); or

d. difficulties or delays in obtaining raw materials, labor, fuel, power, parts or machinery; or

e. an act of God, including but not limited to, war, terrorism, riot, civil commotion, cybercrime attacks and its consequences, malicious damage, breakdown of plant or machinery, natural disasters, extreme adverse weather conditions, default of suppliers or subcontractors, fire, plague, epidemic, quarantine restriction, or perils of the sea.

10.2 Seller may suspend or terminate (in whole or in part) its obligations under the Contract without liability of any kind to Buyer, if, due to any circumstances whatever beyond Seller's reasonable control:

a. the Seller's reasonable ability to manufacture, supply, deliver, or acquire materials for the

production of the Goods by the Seller's normal means is materially impaired (whether or not involving Seller's negligence); or

- b. a significant collapse of the market and the demand for the Goods occurs, so that it would be reasonably uneconomic for Seller to continue its obligation to perform.

10.3 In the event of a Force Majeure Event as set forth in Clause 10.1 or the circumstances described in Clause 10.2 above, Seller will give Buyer a written notice of the existence of such circumstances, the nature of the event and its expected duration. Seller may choose to terminate the Contract (or any part of it), without any liability, upon the occurrence of a Force Majeure Event or the circumstances described in Clause 10.2.

11 Termination and suspension

11.1 No order which has been accepted by Seller may be cancelled or postponed by Buyer except with Seller's agreement in writing and on terms that Buyer shall indemnify Seller in full and on demand against all loss, costs (including all labor and materials used), damages, charges and expenses incurred by Seller as a result of the cancellation or postponement.

11.2 Seller may (without prejudice to its other rights or remedies) terminate or suspend Seller's performance of the whole or any outstanding part of the Contract in the circumstances described in Clause 11.3 without any liability and all sums outstanding from Buyer to Seller on any Contract or other contract between Seller and Buyer shall become payable immediately and/or Seller may exercise any of its rights pursuant to Clause 12. Seller may also suspend deliveries while investigating any claim relating to prior shipments (under any Contract or other contract between Seller and Buyer) of Goods.

11.3 The relevant circumstances are if:

- a. Buyer fails to take Delivery of the Goods by the date required under Clause 6.1. or fails to pay for the Goods by the due date or breaches any other term of the Contract or does not comply with the requirements of Seller's export insurance or any other insurance applicable to the Contract or any other contract for the sale or purchase of goods or services between Buyer and Seller; or
- b. (i) any distress or execution (whether legal or equitable) shall be levied upon any of Buyer's goods or property or obtained against him/it or (ii) Buyer encumbers, pledges, or in any way charges by way of security for any indebtedness

any of the Goods which are the property of Seller or (iii) if Buyer offers to make any arrangement or composition with its creditors or (iv) Buyer becomes bankrupt or insolvent or unable to pay its debts as they fall due, or (v) if a receiver, administrator, administrative receiver or manager or encumbrancer takes possession of or shall be appointed over the whole or any part of Buyer's business or assets, or (vi) Buyer convenes a meeting of creditors (whether formal or informal), or (vii) Buyer enters into liquidation (whether voluntary or compulsory) except a solvent voluntary liquidation for the purpose only of reconstruction or amalgamation, or (viii) any resolution or petition to wind up Buyer (other than for the purpose of amalgamation or reconstruction without insolvency) shall be passed or presented or for the granting of an administration order in respect of the Buyer or (ix) Buyer is unable to pay its debts within the meaning of the applicable Insolvency Act or (x) Buyer ceases or threatens to cease to carry on business or (xi) Seller reasonably apprehends that any of the events mentioned above is about to occur in relation to Buyer and notifies Buyer accordingly or Buyer suffers any analogous proceedings under foreign law; or

- c. Seller has reasonable grounds for suspecting that an event in Clause 11.3.(b) has occurred or will occur, or that Buyer will not pay for the Goods on the due date, and so notifies Buyer; or
- d. Seller's production costs (including costs of all labor and materials used) in relation to the Goods specified in any Order Confirmation materially exceed the purchase price agreed with Buyer in such Order Confirmation for such Goods.

11.4 In addition, Seller shall have the right, by notifying Buyer, to suspend deliveries under the Contract and/or any other contract the Seller may have with Buyer (even though Buyer is not in arrears with any payment) if Seller considers that the amount outstanding in the account of Buyer (whether actually due for payment or not) has reached the limit to which Seller is prepared to allow credit to Buyer, whether or not such limit has been notified to the Buyer.

11.5 If Buyer provides Seller with security for the Contract price, reasonably acceptable to Seller, within 3 working days after a notice has been given under

Clause 11.3.(c) or 11.4, Seller shall withdraw the notice.

12 Risk and title

12.1 Risk in the Goods shall pass to Buyer upon Delivery as specified in Clause 6.1 above.

12.2 However, Seller shall retain ownership of the Goods until:

- a. Seller has received payment in full in cleared funds of all sums due to it for all the Goods supplied including all other sums which are or which become due to Seller from Buyer on any account including all Additional Charges, VAT or other forms of taxes; or
- b. Subject to Clause 12.3, Buyer mixes or processes the Goods so that they lose their identity or are irrecoverably incorporated in or mixed with other goods; or
- c. An unrelated third party purchases the Goods from Buyer at arm's length in good faith.

12.3 As a separate and independent condition, Buyer agrees that in the circumstances described in Clause 12.2.(b), the resulting product (the "**Downstream Goods**") shall be Seller's property until the conditions in Clause 12.2.(a) or (c) have been met, unless the value of the other goods referred to in Clause 12.2.(b) (as measured by the price charged to Buyer or, if none, the direct factory cost to Buyer of their manufacture) exceeds the invoice value for the Goods referred to in Clause 12.2.(b).

12.4 Until ownership of the Goods or Downstream Goods passes to Buyer, Buyer must:

- a. maintain them in satisfactory condition and insure them on Seller's behalf but on Buyer's costs against all risks to full replacement value to the reasonable satisfaction of Seller;
- b. hold the proceeds of any such insurance referred to in Clause 12.4.(a) in trust for Seller and not mix them with any other money, nor pay the proceeds into an overdrawn bank account;
- c. sell, use or part with possession of the Goods or Downstream Goods (to the extent not prohibited by the Contract) only in the ordinary course of trading (with any such sale being a sale of Seller's property on Buyer's own behalf and Buyer shall deal as principal when making such a sale);
- d. hold the Goods and Downstream Goods as the Seller's fiduciary agent;
- e. where reasonably possible keep each Delivery separate from all other goods of Buyer or any

third party in its possession and marked in such a way that they are clearly identified as Seller's property; and

- f. not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods.

Buyer will be responsible for compliance with all Laws applicable to the Goods once the Goods have been delivered by Seller in accordance with the Contract, including, without limitation, those related to operations, safety, maintenance, equipment, size and capacity, and pollution prevention.

In the circumstances described in Clause 11.3.(a) to (d), Buyer's right to sell, use or part with possession of the Goods or Downstream Goods shall terminate immediately, and Seller may recover and/or sell the Goods or Downstream Goods and Buyer grants the Seller, its agents and employees an irrevocable license at any time to enter Buyer's premises for that purpose or to inspect the Goods, without prejudice to Seller's other remedies. If Seller recovers and/or sells the Downstream Goods, any excess of the value of the Downstream Goods (as reasonably estimated by Seller) over any amounts due to Seller under the Contract plus the Seller's costs of recovery and disposal, shall be paid to Buyer. This obligation shall survive termination of the Contract.

12.5 Buyer shall not pledge or subject the Goods to any lien or encumbrance or in any way charge by way of security for any indebtedness any of the Goods which are the property of Seller.

13 Safety conditions

Buyer acknowledges the hazards associated with the handling, unloading, discharge, storage, transportation, use, disposition, processing, admixture, or reaction (the "**Use**") of the Goods supplied under the Contract and assumes the responsibility of advising those of its employees, agents, contractors and customers in connection with such Use of the hazards to human health or human or environmental safety, whether such Goods are used singly or in combination with other substances or in any processes or otherwise. In the event that Buyer is provided a Material Safety Data Sheet ("**MSDS**") by Seller for the Goods, Buyer specifically agrees that it shall advise all of its employees, agents, contractors and customers who will Use the Goods of the MSDS, and any supplementary MSDS or written warnings that it may receive from Seller from time-to-time.

14 Indemnification and third party claims

14.1 To the extent not otherwise prohibited by law, Buyer shall fully indemnify, defend and hold Seller, or as the case may be, any other company within the Lenzing

Group (i.e. any entity controlled by, controlling or under common control with Lenzing Aktiengesellschaft) and their respective officers, directors, employees and agents harmless from and against any loss, claim, injury or liability whatsoever (including but not limited to product liability cases):

- a. resulting from any usage of Seller's or any Lenzing name, brand, logo or the Goods including the Lenzing Trademarks by Buyer;
- b. Buyer's breach of any of the obligations of these General Terms and Conditions of Sale, any contract or any applicable laws or violation of any third party rights; or
- c. the use, sale, marketing, or manufacturing of any goods or services of Buyer, including those goods and services that incorporate the Goods.

14.2 The indemnified party shall notify Buyer of any relevant claim, shall comply with Buyer's reasonable requirements to minimize liability and/or avoid further liability, and shall allow Buyer control of any action and/or settlement negotiations, on reasonable terms. Buyer shall not enter into any agreed judgment or settlement agreement that imposes liability on Seller or any indemnified party without the prior written authorization of Seller or the indemnified party, as applicable.

15 Trademarks

The Buyer acknowledges that Lenzing Aktiengesellschaft is the sole and exclusive owner of any and all trademarks and trade names, service marks, trade logos, brands and trade dress or any abbreviations or variation thereof and any other commercial protected rights applied to or used by the Seller in any manner (collectively the "**Lenzing Trademarks**") and Buyer acquires no rights whatsoever to the Lenzing Trademarks. Buyer agrees not to register or use or have any third party register or use any mark(s) that are similar to the Lenzing Trademarks and will assign and transfer to Lenzing Aktiengesellschaft all rights that Buyer may acquire in and to the Lenzing Trademarks, whether by operation of law or otherwise. Buyer shall not use any trademarks or trade names applied to or used by the Seller in any manner not approved by the Seller in writing in advance, however any approval for Buyer's use of any Lenzing Trademarks shall be made pursuant to a trademark license agreement executed separately by and between Buyer and the Seller. Notwithstanding the foregoing, Seller grants to Buyer the limited license set forth in Annex ./1.

16 Miscellaneous

16.1 The Contract or any part of it may not be assigned by Buyer without the Seller's prior written consent. Seller

may assign, license or sub-contract all or any part of its rights and obligations under the Contract to any person, firm or company.

16.2 The Contract shall not be construed to create the relationship of employer or employee, partnership, principal/agent or any type of joint venture relationship, between and among the parties. No party shall have the authority to contract for or assume obligations of any kind in the name of the other party without that other party's prior written consent.

16.3 No failure or delay by Seller to enforce or partially enforce any provision of the Contract shall be construed as a release of its rights relating thereto or to sanction any further breach.

16.4 The Contract constitutes the entire understanding of the parties with respect to the transactions contemplated in the Order Confirmation, and supersedes and replaces all prior agreements and understandings, written and oral, among the parties with respect thereto.

16.5 If any provision of the Contract and/or these General Terms and Conditions of Sale is found to be illegal, invalid or unenforceable in whole or in part either under enactment or rule of law, it shall have effect to the maximum extent permitted by law, or, if not so permitted, shall be deemed deleted and the legality, validity and enforceability of the remaining provisions of the Contract and/or these General Terms and Conditions shall not be affected.

16.6 Any variation of these General Terms and Conditions (including any special general terms and conditions agreed between the parties) shall be inapplicable unless agreed in a signed writing by Buyer and Seller.

16.7 Each right or remedy of Seller under the Contract is without prejudice to any other right or remedy of Seller whether under the Contract or not.

16.8 Any waiver by Seller of any breach of, or any default under, any provision of the Contract by Buyer will not be deemed a waiver of any subsequent breach or default and will in no way affect the other terms of the Contract.

16.9 Buyer shall not refer to Seller by name or otherwise on any website, or in any proposed media releases or public announcements relating to the Contract or the subject matter of the Contract, including, without limitation, promotional or marketing material (but not including any announcement solely for internal distribution or any disclosure required by legal, accounting or regulatory authorities beyond the reasonable control of the party).
